Barossa Place,
Perth Nov 3rd 1857.

Madam,

We hand you annexed Invoice of articles for your Bazaar, which we hope will arrive in good time, and be found suitable.

In consequence of the small amount we are enabled to forward this season, Miss Wyham kindly offered to pack them with the Edinburgh contributions; of which offer we availed ourselves and sent them our last week.

Along with Invoice sent last year was sent a half Sovereign for 2 years subscription for the N.S. Standard; but which paper has not been received here. Possibly it is an omission, which you will much oblige by getting rectified this year.

A very warm supporter of the cause here, who used to assist largely in the former contributions from Perth (Miss Mary Miller) died ten days ago. Almost her last work on earth was dispatching to her relations in Glasgow (the Patons) the result of her labours during the past year - which you will no doubt get with the Glasgow Box.

Hoping the present monetary crisis in the Mercantile world will not interfere with your Sale at Christmas, and with best respects

I remain

Dr Madam

Yours very respy

Charlotte A Morton

Mrs Chapman.
